

CAROLE P. BIZZACK
MEMORIAL FOUNDATION

3321 Winchester Road • Lexington, KY 40509

The Carole P. Bizzack Memorial Foundation will award annual scholarships to graduates of Lexington's local high schools who plan to dedicate their lives to animal science, including veterinary medicine.

A board of directors consisting of Carole's children, Jason and Stacey, as well as family and friends will carry out the compassion that Carole felt for animals in need.

A scholarship selection committee has been established to award scholarships and other gifts relating to the veterinarian field as well as rescue organizations, veterinarian co-op programs and volunteer services of young adults.

The Carole P. Bizzack Memorial Foundation is a fitting tribute to a kind, gentle and loving woman. It will allow all of us to honor her memory while providing assistance to others who hope to follow the pathways she forged.
